Dear Parent,

Thank you for your interest in Christian Community School. We are a Christ-centered, college preparatory school who seeks to equip and prepare students to effectively integrate Biblical truth into their daily lives and to impact the culture for Christ. We strive to achieve this using a rigorous curriculum taught by teachers who will challenge them to grow academically and spiritually.

We invite you and your family to experience the Christian Community School community by attending an open house event, scheduling a personal tour of our campus, and meeting with our school office staff to help answer your questions.

The application process for each student is as follows:

- Submit a completed application and \$25 non-refundable application fee.
Apply easily online at ccscolts.com/admissions.
- Schedule testing assessments.
After completing your application, our staff will contact you to schedule testing.
- Schedule Parent Interview -
 - *Parent will be required to bring a current copy of an unofficial transcript, which should include behavior, attendance, and grade report.*

Please feel free to contact our office at (615) 672-6949 if we can provide assistance in any way. The staff at Christian Community School looks forward to getting to know your family and assisting you in the application process.
