The Kroger Family of Companies is committed to community engagement, positive social impact and charitable giving at the national and local levels. Every community is unique, but our common goal is to partner with the neighborhoods we serve and help the people there live healthier lives.

One of the ways in which we do this is through our **Kroger Community Rewards** program. This program makes fundraising easy by donating to local organizations based on the shopping you do every day. Once you link your Card to **Christian Community School**, all you have to do is shop at Kroger and swipe your Shopper's Card. Here's how it works:

1. Create a digital account with Kroger.

A digital account is needed to participate in Kroger Community Rewards. If you already have a digital account, simply link your Shopper's Card to your account so that all transactions apply toward the organization you choose.

2. Link your Kroger Plus Card to Christian Community School.

Selecting the organization that you wish to support is as simple as updating the Kroger Community Rewards selection on your digital account.

1. Sign in to your digital account.
2. Search for **Christian Community School** by name or NPO number **YW805**.
3. Select **Christian Community School** from the list and click "Save".

CCS will display in the Kroger Community Rewards section of your account. If you need to review or revisit your organization, you can always do so under your Account details.

3. CCS earns.

Any transactions moving forward using the Kroger Plus Card number associated with your digital account will be applied to the program, at no added cost to you. Kroger donates annually to participating organizations based on your percentage of spending as it relates to the total spending associated with all participating Kroger Community Rewards organizations.
